

Belmont Bogie Busters

April 2007 Newsletter

Spring has sprung. It was nice to have some snow this season, even though it was short lived, it was nice to be able to get out and groom. The trails are officially closed even though we received some snow over St. Patrick's Day, most of the gates are already closed which we have no control over so please stay off the trails, we do not want to loose the trails for next year. Respect the landowners.

We held our annual elections at the March meeting, the results are as follows:

President- Russ Davis Jr
Vice-President- Bill Otto
Treasurer- Bobbie Davis
Secretary- Nelly Roache
Trail Administrator- Jason Roache
Trailmaster- Rob Blakeslee
Directors- Warren Piquette
Ed Otto
Jason Roache

Congratulations everyone...

Friday April 20th, join us at our annual potluck supper. Starting at 6:30pm at the Shalimar in Tilton, downstairs. Final meeting of the season will be held while we are there to discuss summer projects and officially close out the season. Check the website for more details.

This coming year is going to be a little different than years past. We plan on getting the majority of large scale jobs done during the summer so when fall comes it is mainly just cleanup and signing. So the plan is that once a month or so we will head out for a few hours and do some trail work and obviously the more hands we have, the faster it will be.

On a final note, don't put your sleds away dirty, clean them up, prep the fuel and grease them up. It pays off next year when you get them out.

Hope everyone has a nice and hot summer, and hope to see some of you out there.
