Our New Meeting Place

Have you ever wanted to come to a meeting, but didn't know how to get there, or just didn't feel like going to someone's house you didn't know? Well don't think you were alone.

As a club, we have moved our meeting place to The Corner Meeting House in downtown Belmont. It's a nice meeting room which can be used for a formal or informal meeting.

We always try to have refreshment, coffee and something to snack on. Please come out and join us!

We Are Ordering the Groomer!

The motion was made; the votes were cast; and finally the decision! The new Tucker groomer is being ordered!

As you may or may not be aware, some of the most dedicated members have been giving up their early morning Saturdays to help get trails ready just in case this happened. Well, all of their hard work has paid off!

Now that the question has been answered, we are asking that more volunteers come out and help. Snow will be here before we know it and we will not be able to prepare the trails so the new groomer will fit.

If you would like to help, come and join us for breakfast at Winnisquam Pizza on Route 3 across from Jack Willey's between 7:00 and 7:30 A.M. After a good meal and some much needed coffee it's off to the trail work! Everyone one is welcome, young and old!
