Election of Officers

At our March 8th meeting we will be electing officers. This year we have a nominating committee set up to help bring a slate of candidates to the meeting for members to vote on. Our committee is made up of three members, they are and can be reached at the following Phil at 524-4178, Barbara at 267-8465 and Carolee at 267-6125. As always this is your chance to run for office. Bring new and fresh ideas to the club. If you would like to run for office, or you know of another member that you think may be good at a position please contact one of these people. All offices are available for nominations. Please come to the meeting and vote for the people you feel would do the best job to help the club continue to grow.

Pot Luck Supper

Our annual Pot Luck Supper is coming up. We are looking at dates in April. We have door prizes, raffles and other drawings. If you know of anyone or a business that would be interesting in donating anything for this event please contact either Warren at 524-1683 or Carolee at 267-6125. This is always a fun event and usually our last of the snowmobile season. It's a lot of fun, and we hope to see you there!

Our next meeting will be **March 8th at 7:00 pm at the Corner Meeting House in downtown Belmont.** We would love to see you there!

Annual Club Picnic

Our annual club picnic will be March 23rd. Again this year we will be having it at Mallard's Landing on the beach. Hotdogs, hamburgers, sausage, coffee and coco. This is free to all members and \$3.00 for non-members. Please feel free to bring a dessert!!

Ethical Snowmobiling

Our trail system is dependant on landowners. Some of these people ride recreational vehicles and some do not. Either way, it is because of them that we can enjoy this fun activity. However, not everyone that rides obeys the rules. We have received some complaints about snowmobiles and wheeled vehicles both. Some are minor complaints, but others are more serious, including property damage. If you are out riding and you see someone doing something wrong or on a trail they don't be-

long on please try to contact Fish and Game. If you know that you can't, but are the outspoken type, let them know they are the reason that we lose trails. Responsible riding keeps everyone safe and happy!

Cash Lotto

We had another Cash Lotto drawing this month and the

winner were...
#27 Roger Beaudoin
#17 Alan and Deb Doyon

Congratulations!! We would like to wish everyone the best of luck in drawing!!
