Easter Seals Ride In

Some of us hear about the ride in and don't know what it is about. It is a way to celebrate all the efforts made by NHSA club members to raise money for Easter Seals Camp Sno Mo at Hidden Valley in Gilmanton. It is a nationally hailed residential camping program for more than 200 boys and girls with disabilities ranging in ages from 13-24. There is a lot to do all weekend besides just riding. Many of the campers are there to share their past experiences at the camp.

In years past we have donated different amounts. This year through discussion at our monthly meetings we have decided to donate \$1000.

Courteous Rules

We all sit here waiting for the winter months hoping there will be enough snow for some great riding and when the white stuff starts to flow some of us forget a few little things. We all want to be out there enjoying ourselves.

Here are some basic rules "stay to the right, operate at a reasonable and prudent speed, be aware of your surroundings, and never drink and drive,"

Being aware of your surroundings means that "you should check your rear view mirror, look over your shoulder, and keep your eyes wide open when you come around a curve or go over a rise."

Be Courteous and Safe!

Our next meeting is Tuesday Feb 8th at 7 p.m. at the Corner Meeting House in Belmont, NH
