## December 2007 Newsletter

Happy Holidays members! We hope you are enjoying the season so far. Soon we will have lots of snow to groom for your pleasure.

The bogie Busters would like to give a big thanks to those who have helped the club. The volunteers that show up for work parties, the landowner's, business owners for your support, and the membership for joining our club year after year. ***Thank you!*** Check the website for work party meeting times and locations.

Trail work has progressed quite nicely; we have most projects out of the way and only have a couple of small items to button up. We are also looking for your help. While out riding on the trails and you find an area that you think may need additional signage, please email us so we can address it. This past summer we had a number of riders mention a spot or two on the trail system that was somewhat confusing. Those of us that work and groom our trail system know them well and can often overlook a potential troublesome area. Please do not hesitate to let us know.

**Fundraiser:** Our 50/50 Raffle is under way, we hope to have them all sold by months end. 100 tickets @ \$50.00 ea. Contact Nelly, Bobbie, or Russ if you would like one.
