February 2008 Newsletter

Snow has come, and the snow has gone. How many inches have we had total for this season? 80 ish. Wow. We just wish it would stay and not continue to melt after a week. Hopefully after the rain we just had, that will be it until spring.

Trails have looked good. We have groomed nearly everyday the conditions have allowed. Our trooper and trailmaster Rob has been out almost every night on the skandic. Thumbs up to you Rob, you have done a great job.

Belknap county clubs had a meeting in January, few things were discussed. Nomination of county director and assistant county director took place. Tyson Mckenna is now the County Director for Belknap and Russ Davis(me) as the assistant. Congratulations to Tyson for the move up, he has been a dedicated assistant for a few years. Also discussed was a county map, all the county clubs have approved and the work has begun, GPSing the trails, etc. We hope to have them for next season.

Get out there and ride the county, a small group of us have made it a point to ride the other clubs trails on a weekly basis and have not been disappointed.

Meeting Schedule: 2nd Wednesday of every month at 7pm.
Corner Meeting House in Belmont.
February 13th
March 12th

Please Stay On The Trail!
Ride Safe.
