January 2008 Newsletter

Happy New Year from the Belmont Bogie Busters! We all hope you have a happy and healthy year to come.

Snow, snow, and more snow. It is great to have decent riding conditions this early in the season. It has been quite a while since this has happened. We are all continuing to perform our snow dances.

We are still in process of signing some of the more remote areas of our trail system. Over the past two weeks we have been updating some of the old "Trail Information" signs and replacing signs that are missing. Please let us know if there is an area that needs additional signage we may have missed. **Watch for water bars!** They are plentiful right now due to the heavy rain we had before Christmas. Some are very deep as well, so please use caution. It is going to get cold this week, so they should start to freeze up.

ICE- PLEASE STAY OFF THE ICE UNTIL YOU KNOW IT IS SAFE. We have noticed people are riding on Pout Pond, we do not know how much ice is there, and if someone goes through, it is not in an easily accessible location for rescue. Please know before you go.

Fundraiser: Our 50/50 Raffle is under way, we hope to have them all sold by months end. We still have plenty of tickets. 100 tickets @ \$50.00 ea. Contact Nelly, Bobbie, or Russ if you would like one.
