March 2008 Newsletter

Trails have looked good. Great job to all of our dedicated groomers. We have had a fantastic year.

The work on the county map for next year has begun. We are having another meeting on March 20th to discuss getting the other clubs trails GPS tracked as soon as possible, and by the looks of the weather we may be walking them when the snow is finished melting. If there are any members that have a gps and would like to help getting the trails logged, please let us know. The sooner we get the leg work done, the sooner the cartographer can get the map done.

Officer Elections will take place at the next meeting, March 12th. Come join us, place your vote and give us your thoughts as we wrap up this season. What do we need to do different next season? We will also be discussing the April meeting which is usually a pot luck supper, as well as some potential Charity Casino nights to sponsor at the Lochmere Country Club this Summer.
