

BELMONT BOGIE BUSTERS NEWSLETTER FEBRUARY 2005

ELECTION OF OFFICERS

At our March 8th meeting we will be electing officers. This is your chance to run for office. A chance to bring new and fresh ideas to the club. If you would like to run for office, or you know of another member that you think may be good at a position please contact Nelly Roache @ 267-6867. All offices are available for nominations.

Please come to the meeting and vote for the people you feel would do the best job to help the club continue to grow.

Our next meeting will be
TUESDAY
March 8th
At The Corner Meeting House
In Belmont at 7pm

CASH LOTTO

#17 Brian Lemoine

#59 Walter Juszczak

Congratulations!!

BELKNAP COUNTY RIDE AND ANNUAL CLUB PICNIC

We are hosting the county ride this year. We are combining our picnic with it. It will be Saturday Feb 19th at Mallard's Landing on the beach. The event will start at noon. Food will be served from 12:30-2pm which includes hotdogs, hamburgers, chips, coffee, punch and coco. Please feel free to bring a dessert or dish!!! Come meet members from other clubs and our club. And with enough snow it is a nice ride!

TRAIL NEWS

Our trail systems are dependant on landowners. Some of these people ride recreational vehicles and some do not. Either way, it is because of them that we can enjoy this fun activity. However, not everyone that rides obeys the rules. If you are riding a see a gate closed that means that the trail is closed. Please turn around do not attempt to go around the gate. They are closed for a reason. We have received some complaints about snowmobiles and wheeled vehicles both. Some are minor complaints, but others are more serious, including property damage. If you are out riding and you see someone doing something wrong or on a trail they don't belong on please try to contact Fish and Game. The trails that we ride on are there because the landowners are generous enough to let us use their property. We need to respect their property if we want to keep our trails. Responsible riding keeps everyone safe and happy!

Ambrose Pit has made a request to riders to stay on the side of the road and not on the plowed road. There are trucks in and out we do not want any accidents.
