### Meeting

We will hold our April meeting at the start of the Pot Luck supper.

### Maps

Maps this year were a disaster, but we are already getting ready to start on the "NEW" maps, which will look completely different for the members. Stay tuned!

### Pot Luck Supper

You are invited to attend our annual pot luck supper on Saturday April 15th at the Shalimar. Cocktails begin at 5pm and we will have dinner at 6pm. Deserts are welcome of course. The group snow dance will be held at 7pm. Let's get together and have a good time in spite of mother nature's terrible prank on us all this winter. If you need any information please contact Nelly at 267-6867. Hope to see you there!

### Trails

Trails are officially CLOSED. Did they ever get a chance to open? What a year! We have already begun making our rounds to any open trails to close them. We are going to start trail maintenance early this summer rather than waiting until Fall. We have some new thoughts on signage for the junctions, etc. which we will be working on throughout the spring and summer. Keep your eye on the website for further updates.
